# Doxy.me Telehealth Visit Patient Guide

No app download or password needed—follow these simple steps to start your video call

DOXY.ME GUIDE

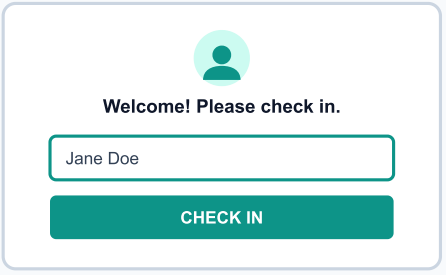

## 1 Open Provider's Room Link

- Open your text or email appointment reminder.
- Click your provider's custom link (e.g., **doxy.me/DrName**).
- Use Chrome, Safari, Edge, or Firefox.

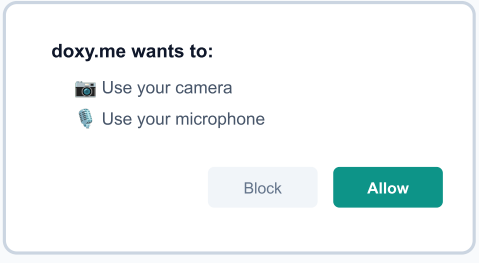

## 2 Enter Your Name

- Type your full legal name into the Welcome box.
- This notifies your provider who has arrived.
- Click the green **Check In** button.

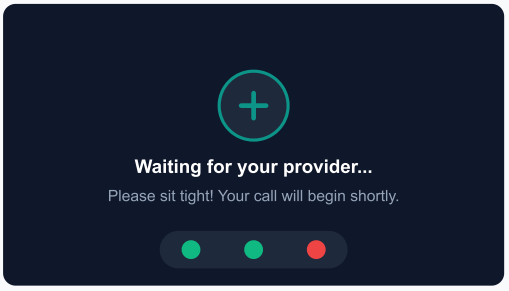

## 3 Allow Camera & Mic

- When prompted by your browser, tap **Allow**.
- Ensure your camera and microphone are enabled.
- You will see a self-preview on the screen.

## 4 Wait for Provider

- You are now in your provider's waiting room.
- Your provider sees you are ready and will start the call.
- Keep your web browser open until connected.

## Doxy.me Quick Tips for Patients
